

Position Posting – Senior Electrical Estimator

Sequoyah Electric is an industry leader in the design, construction and maintenance of electrical and low voltage systems in the Puget Sound Area. We are currently seeking a **Senior Electrical Estimator** to work in our Redmond, WA office who can independently manage major estimates from start to completion. Position responsibilities include reviewing construction documents, identifying scope of work to bid, executing and inputting take-offs into computerized estimating software, proposal development and participation in bid reviews.

Qualification Requirements:

- 10+ years of industrial and commercial electrical estimating experience is required
- Bachelor's degree or equivalent experience in the electrical trade and training
- Familiarity with McCormick estimating software or a similar system is required
- Ability to interpret all types of electrical systems and technical specifications
- Knowledgeable of electrical construction means and methods
- Extensive knowledge of the National Electrical Code (NEC) and local codes required
- Ability to handle multiple priorities with interruptions and still meet deadlines
- Well-developed interpersonal and written communication skills
- Self-starter capable of working independently and as a member of a team

Employee Benefit Program includes:

- Employer paid medical, dental and vision for employee and dependents
- 401(k) and Roth(k) retirement plans
- Holiday, vacation, and sick leave compensation
- Employee and Dependent Life Insurance; Long-Term Disability and AD&D income protection
- AFLAC supplemental healthcare coverage and unreimbursed medical plans also available

How to apply:

Email cover letter and resume to hr@sequoyah.com with the title of the position in the subject line. For other application accommodations, please call 425.814.6000. Learn more at www.sequoyah.com.
